

Since the trip of the Linden Grove bowling team has begun, the interest in the approaching contests in Wheeling which follow those in Buffalo, has become greater, and it now looks as though there will be large crowds present on Friday and Saturday evenings and Saturday matinee. The local bowlers continue to feel confidence in their ability to defeat the visitors in a majority of the seven games of the series. Captain Hervey's men are now rolling an average five-men team game of not less than 50. Unless Linden Grove rolls much better here than in Buffalo, the Brooklynites will surely go down the path of defeat.

WHEELING GUN CLUB

Getting its Grounds in Readiness—A Meeting Called for April 2.

The Wheeling Gun Club is preparing to open up its new grounds on the west side of the Island and will probably give its first shoot on or about the 1st of April, of which due notice will be given.

Matches are already arranged and will be shot with the famous Herron Hill Gun Club, of Pittsburgh, and the Fairmont, W. Va., gun club, during the summer.

All who have subscribed as members of the club are requested to pay the initiation fee to the secretary and treasurer, J. A. Peun, within the next week, so that no delay may be occasioned in pushing things to a successful opening.

A meeting of the club will be held at Nell & Ellingham's office, Thursday evening, April 2, at 8 p. m., at which all members are requested to be present to transact important business.

It is, after careful computation, thought that the \$5 initiation fee will be all the expense members will be put to in forming and sustaining the club. All sportsmen are invited to join the new club.

Folks Always Interested in Each Other's Doings.

HENCE THIS MATTER, TAKEN

From Their Private Life, we are Sure, Will Interest the World Amazingly.

DOVER, N. H.—A cynic of old once said—"Other people's affairs are tedious."

We believe, on the contrary, that there is nothing so interesting to us as what happens to other people.

We are sure, therefore, that this will prove interesting reading.

Mr. and Mrs. F. W. Grant, who reside at 490 Central avenue, Dover, N. H., both talk unreservedly of the matter.

"Three years ago," said Mrs. Grant, "I was severely attacked by grippe, which after a long period of illness terminated in a complete case of nervous prostration. I became greatly reduced

in flesh, and was rapidly growing weaker and less able to work about the house.

"Having heard of the wonderful curative properties contained in Dr. Greene's Nervura blood and nerve remedy, I concluded to give it a trial. After taking one bottle I was greatly improved, and before the third bottle was some I was able to be about my work as usual."

Mr. Grant is no less enthusiastic. He says: "Having employed the use of Dr. Greene's Nervura blood and nerve remedy in a chronic case of nervous indigestion with the most gratifying re-

sults, I can sincerely recommend it to all who are suffering from this horrible malady. It aids digestion, strengthens the stomach and builds up the entire nervous system at the same time."

Dr. Greene's Nervura blood and nerve remedy surely cures. The reason is plain. It is the prescription of the most successful specialist in curing nervous and chronic diseases; hence of necessity, it is perfectly adapted to cure just these chronic complaints. Remember that the spring is the time you can be cured quickest and at least expense. The spring is the time of all others to take this remedy and get well. Its discoverer, Dr. Greene, of 35 West 14th street, New York City, can be consulted free, personally or by letter.

MOONSVILLE.

A Miscellaneous Account of Minor Matters from Marshall's Metropolis.

An appeal of J. L. McEwen & Son vs. Shaffer, for a balance due in the construction of some buildings in McEwen, occupied the attention of the circuit court yesterday. It was undecided up till last evening and will probably take another day to finish. Messrs. Ewing and Newman, of this city, appear for the plaintiff, and Messrs. Misses Maud Grimes, of this city, and Anna McDonald, of Cameron, will leave to-morrow for Delaware, O., to attend school.

Several horsemen have already located at the driving park to speed the coming season.

Much Fuss About Little Matter.

NEW YORK, March 25.—Ballington Booth to-day received from Miss Willard, of the Women's Christian Temperance Union, the following telegram in relation to the use of the white ribbon as an emblem by the officers and members of God's American Volunteers:

"Cannot believe you authorized your followers to wear white ribbon. It belongs to the W. C. T. U. Please see to it."

"FRANCES E. WILLARD."

Lieutenant Colonel Glenn was instructed to telegraph Miss Willard the following reply:

"Not authorized; only worn at one meeting. Is not a permanent constitution. Thousand blessings."

"COMMANDER."

Private Secretary Blackhurst, in speaking of the matter and the use of the white ribbon was only temporary, and at first worn in Chicago as a token of loyalty to Commander Ballington Booth.

One's physical feelings, like the faithful water, point out plainly the fact of disease or health.

If a man is not feeling well and vigorous—if he is losing flesh and vitality, if he is listless, nervous, sleepless, he certainly is not well. The down hill road from health to sickness is smooth and declines rapidly. It takes a long time to get into the mire, but it takes a short time to get out of it.

It puts his digestion into good active order and that puts the rest of his body in order. The medicine that will do this is a medicine that is good to take in any trouble of the blood, the digestion, or the respiration, no matter how serious it may be.

The medicine to take is Dr. Pierce's Golden Medical Discovery. It is a remarkable remedy. It cures diseases in a perfectly natural way, without the use of strong drugs. It cures by helping Nature. It has a peculiar tonic effect on the lining membranes of the stomach and bowels.

By putting these membranes into healthy condition, stimulating the secretion of the various digestive juices and furnishing to the blood the proper purifying properties, it reaches out over the whole body and drives disease germs before it, turning them into harmless matter.

It builds up firm muscular flesh, makes the skin and the eyes bright.

Dr. Pierce's Golden Medical Discovery has been found wonderfully efficacious in the treatment of skin diseases—eczema, tetter, erysipelas, salt-rheum—from common pimples or blotches to the worst case of scrofula.

DON'T invite disappointment by experimenting. Depend upon One Minute Cough Cure and you have immediate relief. It cures croup. The only harmless remedy that produces immediate results. Logan & Co., Wheeling, W. Va., B. F. Peabody, Benwood, and Bowle & Co., Bridgeport, O.
